**Day 2:** Look at the things that Malala would draw if she had a magic pencil. What would you draw if you had one?

Write a sentence to show what you would draw. Can you use 'because' or 'so' to explain your idea?

'I would draw ..... because .....'

'I would draw ..... so.....'

**Day 4: Draw two speech bubbles.**

Inside one, write why Malala loves school. In the other, write why you love school.

'I love school because.....'

**Day 5: Design your own magic object!**

Add labels to explain how it works. For example, 'Yusuf's Magic Paintbrush' or 'Jada's Magic Football'

**Day 3:** Think of as many words as you can to describe Malala: 'caring, thoughtful, imaginative, brave.'

Next, draw a picture of Malala and write the words that you thought of around her.

**Day 6:** Can you make up your own story about your magic object? Include:

- A **beginning** - describe your character and where they live
- A **problem** - what goes wrong?
- A **solution** - how does the magic object help you?
- An **ending**
