

MAKE A PAPER BOAT!

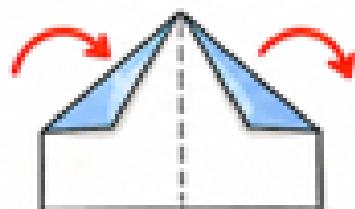

You need:
1 piece of paper

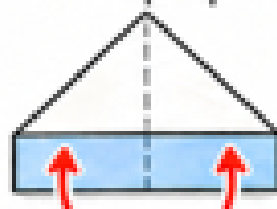

1 Fold the paper in half.

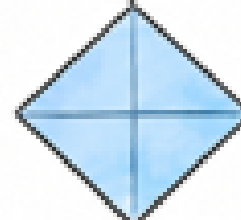

2 Fold the top corners into the middle.

3 Fold the bottom strips up.

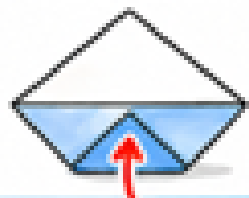

4 Open it into a square.

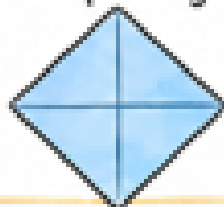

5 Fold the bottom corner up.

6 Turn over and fold the other corner up.

7 Open it into a square again.

8 Pull the top corners apart.

9 Your boat is ready!

Talk together!

- Where could the boy and penguin sail?
- What might they see on their journey?
- Who would they meet?

Extra idea!

Decorate your boat and draw the boy and penguin inside.
